La famiglia di sedute in legno Minima evidenzia la capacità del brand di lavorare con questo prezioso materiale. La variante con la seduta in paglia di Vienna rievoca il fascino delle prime sedie di design e la loro estetica raffinata e senza tempo. L'intreccio in paglia di Vienna, materiale durevole e leggero, si unisce alla sinuosa struttura in legno e agli elementi pieni di gambe e schienale. Versatile e impilabile, la sedia Minima è un prodotto pensato sia per spazi privati che per progetti contract.

The Minima wooden seating family highlights the brand's ability to work with this precious material. The variant with the Vienna straw seat evokes the charm of the first design chairs and their refined and timeless aesthetics. The Vienna straw weave, a durable and lightweight material, is combined with the sinuous wooden frame and the solid leg and back elements. Versatile and stackable, the Minima chair is a product designed for both private spaces and contract projects.
