Miura, 776/P
poltroncina dining \ dining armchair

Caratterizzata da linee sinuose e morbide, la famiglia Miura si declina in sedia dining, poltroncine dining e sgabello. La profonda cura sartoriale è evidenziata dalle cuciture a vista del rivestimento che segue la silhouette della seduta. La poltroncina è disponibile anche nella versione interamente imbottita e, a scelta, il piedino in tre finiture: cromato, ottone brunito o cromo nero.

Characterized by sinuous and soft lines, the Miura family is composed of dining chair, dining armchairs, and stool. The deep tailoring care is highlighted by the visible stitching of the upholstery that follows the silhouette of the seat. The armchair is also available in the fully upholstered version and, optionally, the foot in three finishes: chrome, bronzed brass, or black chrome.
