tavolino \ coffee table

La famiglia di tavolini Shape disegnata da StorageMilano è caratterizzata da un piano in vetro dalla forma squadrata che lascia intravedere il gioco di geometrie della base in legno massello. Segno distintivo del progetto, la struttura è composta da rettangoli diamantati che si incontrano a formare una croce, fissati da giunti metallici in ottone che impreziosiscono ulteriormente il disegno. Disponibili in due diverse altezze e dimensioni, i tavolini Shape possono essere utilizzati sia in coppia che singolarmente, per diventare protagonisti di spazi living contemporanei e affiancare l'ampia collezione di proposte indoor e outdoor dell'azienda.

The coffee table family, designed by StorageMilano, is characterized by a squared-shaped glass top that let you catch a glimpse of the geometrical design of the frame in solid ash wood. The structure is a distinguishing feature of the project and consists of diamond-shaped rectangles that meet to form a cross, secured by brass metal joints that further embellish the design. The Shape coffee tables are available in different heights and dimensions and can be used in pairs or individually to become the protagonists of modern living spaces and complement the wide indoor and outdoor collections of the company.
