

Design Gianluigi Landoni

Herm, 925/O45-OUT
pouf \ pouf

Un dettaglio sartoriale contraddistingue il pouf Herm: una fascia in tessuto con cuciture a vista lo circonda creando raffinati plissé. È dotata di una pratica maniglia, che ne agevola lo spostamento. Proposto in tre diverse forme, Herm è disponibile sia nella versione indoor, per creare diverse composizioni in un interno domestico, sia nella variante outdoor, per personalizzare terrazze e giardini.

A sartorial detail distinguishes the Herm pouf: a fabric belt with visible stitching surrounds it, creating refined pleats. It is equipped with a practical handle, which makes it easy to move. Available in three different shapes, Herm is available both in the indoor version, to create different compositions in a domestic interior, and in the outdoor variant, to customize terraces and gardens.
